Ganpan naerigo mun jamga shut down  
Whip it, whip it, whip it, whip it  
Whip it, whip it, whip it, whip it  
It's black and it's pink once the sun down  
When we pull up, you know it's a shutdown  
Ganpan naerigo mun jamga shut down  
Whip it, whip it, whip it, whip it  
Whip it, whip it, whip it, whip it  
Keep watching me shut it down (Nah)

## [Verse 2: Jennie, Lisa]

You don't wanna be on my bad side, that's right, I'm slidin' through  
Bunch of wannabes that wanna be me, me three if I was you  
Been around the world, pearls on ya girl, VVS's we invested uh  
Need a lesson, see the necklace, see these dresses  
We don't buy it, we request it, uh  
A rock star, a pop star, but rowdier

Say bye to the paparazzi, get my good side, I'll smile for ya  
Know it ain't fair to ya, it's scarin' ya like what now  
BLACKPINK in your area, the area been shut down  
It's a shutdown

**[Pre-Chorus: Jisoo, Rosé]**

Ne daeum dabanjiya ttokbaro bwa, don't sleep, baby  
Dwijibeobwa igeon gageokpyoya, ain't cheap, baby  
Stay in your own lane 'cause I'm 'bout to swerve (Yeah)  
Catch me when you hear my Lamborghini  
Go vroom, vroom, vroom, vroom

**[Chorus: Lisa, Jennie, Jisoo, Rosé]**

When we pull up, you know it's a shutdown  
Ganpan naerigo mun jamga shut down  
Whip it, whip it, whip it, whip it  
Whip it, whip it, whip it, whip it  
It's black and it's pink once the sun down  
When we pull up, you know it's a shutdown  
Ganpan naerigo mun jamga shut down  
Whip it, whip it, whip it, whip it  
Whip it, whip it, whip it, whip it  
Keep watching me shut it down
